SUPPLEMENTAL AMENDMENT

Sir:

Supplemental to the Amendment filed October 14, 1992,  
please further amend the above-identified application as follows:

IN THE CLAIMS:

Please cancel "claim 8" which was added on page 3 of  
the Amendment filed October 14, 1992.

Please amend claim 8 (which was submitted in the  
Amendment dated January 13, 1992) as follows:

8. (Amended) An electric motor brush assembly  
comprising at least two resilient, electrically conductive  
support arms, axially displaced with respect to a longitudinal  
axis of the motor, each arm being arranged to carry a separately  
formed brush body, the support arms being connected electrically  
in parallel, each arm and its brush body having a different  
natural resonance frequency of oscillation;

[A brush assembly according to claim 7,] in which the  
brush bodies are the same size but made of different density  
material.
